

Welcome to Girl Guides' 2010 Bingo game for girls of all ages.

In this kit you will find:

- 10 different BINGO cards
- A sheet containing the call letters for the word GUIDE
- A sheet containing 54 icons (2 of each)

Steps to Playing GUIDE BINGO:

You will need:

- A printer to print out the pages
- Scissors to cut out the letters and icons
- Pennies, rocks, foam pieces (or make-your-own) markers, to mark the sheets

Prepare:

- Print out a different GUIDE BINGO card for each child playing
- Print out the sheets containing the GUIDE call letters
- Print out the sheets containing the 56 icons
- Cut out the call sheets and put the squares containing the GUIDE call letters in a hat or a bowl.
- Cut out the 56 icons and put the squares containing the icons in a different hat or bowl.

Distribute: Hand out one GUIDE BINGO card to each child playing (each child should receive a different card)

Call: Pull one letter square and one icon square from each bowl and call them out e.g, G-Canoe

Mark the Image: The children place the pennies or markers on the called image if it is on their card.

The middle spot is a free spot for every player

Win: Once a pre-determined pattern is made on the GUIDE BINGO card (straight line, U shape, diagonals or all the images), the child calls out BINGO.

Have Fun.
