

Girl Guides gone travelling!!

The 82nd Pathfinders travelled to England this summer to attend an International Guide and Scout camp “WINGS2009” with over 5200 other participants from 44 countries. The camp was held in Great Windsor Park on the grounds of the majestic Windsor Castle.

The unit spent eight fun filled days at camp meeting other Guides and Scouts, participating in numerous activities including archery, air rifle shooting, bungee runs, artificial caving, drumming, KataKanus, kayaking, stilt walking, subcamp Toga party (1st prize Ladies!!) and various obstacle courses and team challenges. We even adopted a Welsh sheep named Myfanwy

After the camp, the unit visited with a local Scout unit, toured Oxford and went sight seeing in London for two days finishing off our adventure with a trip to the theatre. It was “WICKED”!

The 82nd Pathfinders would like to thank all those who supported the unit in our fundraising efforts. We deeply appreciate all your help in making this dream trip come true. Further details of our action packed itinerary are available on request.

Yours in Guiding,

82nd Pathfinders
