

# 2012 Pizza Challenge

Another year has come and the Pizza Challenge is back. It is never too soon to plan how to raise money for the Canadian World Friendship Fund and start raising the money. As in previous years there will be 2 Pizza Parties awarded up to the value of \$100.00 each. The first will go to the unit that has the year's most novel way to raise the funds so get those creative juices running! The second party is for the unit that raises the most per person registered in the unit, including the Guiders.

To get entered to win fill in the entry form and email, fax or send it to your Area International Adviser. They will make sure it gets entered. All entries must be received before April 30, 2012 to be considered so if you are mailing the entry please take that time delay into account. Winners will be notified.
